

# CamBSAC 50<sup>th</sup> Anniversary Gala Dinner

## Wolfson College Cambridge

General information:

Dinner tickets: £44.00 to include a champagne reception followed by a three course meal.

Guests will need to make (and pay for) their wine choice at the same time that they buy their tickets as we have to give the college notice to allow the catering team to collect wines from the cellar.

There is a bar downstairs which will be open from 9pm until 11.30pm for you to purchase any further drinks; this is the college bar so guests are asked to return to the function room with their purchased drinks.

The Event will end at midnight, failure to comply with this may result in your carriage turning into a pumpkin, your horses turning into mice and your gown turning to rags.

Any shoes left on the stairs at the end of the evening will be claimed by the organising committee.
